1. General

Section 2 shows the list of all documents which are submitted to the customer for the present review campaign. SwissNeutronics requests the customer to provide their feedback for every single document on behalf of the list below. Please check according your review result:

- approv.** – when the document is approved without any request for modification.
- cond. approv.** – when the document is basically approved but the approval depends on one or more obligations (minor minor modifications) ⇒ SwissNeutronics will do the modifications (if feasible) and will submit again the respective document, for documentation only.
- revision requ.** – when modifications are requested ⇒ SwissNeutronics will revise the document and submit it again for the customer's review.

In case of ii. or iii., please provide subsidiary information in the field *Conditions / Comments*.
